8. Estimated number of days to burn all material: _____

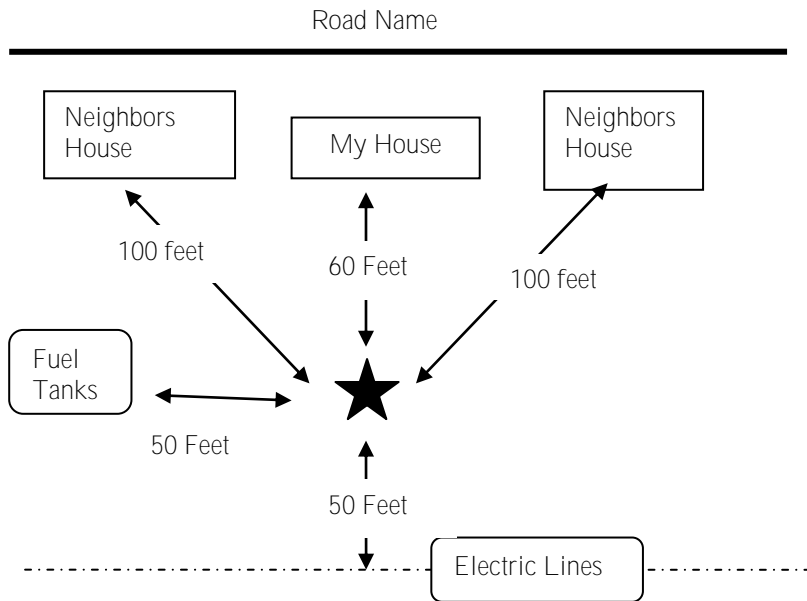

9. Purpose(s) of burning: ☐ Weed abatement ☐ Fire prevention ☐ Range improvement
- ☐ Crop removal ☐ Other (Please explain) _____

10. The following actions will be taken to minimize fire emissions:

- Minimize the material to be burned;
- Allow the material to dry before burning;
- Prevent fire from spreading by clearing the area where the open burn is to be conducted;
- Wet down cleared area around piles with fire retardant foam or water prior to ignition;
- Minimize soil content in slash piles by using hand piling methods;
- Burn in piles when possible;
- When burning grass use a back fire; (back firing is burning in the opposite direction of the wind)
- Extinguish all smoldering materials once burn is completed;
- Burn prior to precipitation;
- Other (Please provide a description of any additional techniques you will be using to minimize the emissions from your open burning activities): _____

11. Burn area must be a safe distance from all structures including your home, your neighbor's home, out buildings, business and utilities which include but are not limited to phone lines and boxes, power lines and poles and propane tanks both fixed and portable. **(PLEASE NOT the recommend safe distance is 50 feet for open burning.)**

12. Please provide either a hand drawn map or one of the following Google/Bing/MapQuest/county assessor or parcel map of the burn location, depicting the burn area, traveled roads, airports, and the distance from nearby buildings/structures (including fuel tanks, power lines) that are under your ownership or another person's ownership. In your map, please use a line to note the distances between the burn location and buildings/structures in feet. Please see the example on the following page:

13. The Eagar Fire Department is located at 111 N. Butler Street, Eagar, Arizona.

14. The mailing for the Eagar Fire Department is address: PO Box 1300, Eagar, Arizona 85925

15. The Fire Department's non-emergency phone is (928) 333-4363.

16. I REQUEST AND GRANT PERMISSION FOR THE EAGAR FIRE DEPARTMENT TO CONDUCT PRESCRIBED BURNING AT THE ADDRESS LISTED ON THIS APPLICATION.

17. GRANTING PERMISSION FOR THE FIRE DEPARTMENT TO CONDUCT BURNING DOES NOT PRESENT A LIABILITY FOR THE PROPERTY OWNER. THE LIABILITY RESIDES WITH THE FIRE DEPARTMENT WHEN THEY APPROVE AND CONDUCT THE BURN.

NOTE: Filling out a request form does not guarantee the Department will be able to conduct the burn, only that it will be placed on our request list. Burns are conducted by the Department as weather, time and manpower permit. All burn sites are inspected prior to burning. The Department will not burn debris piles that contain petroleum products, rubber, plastics, tires, carpet, appliances or any other non-organic material.

I certify that I have knowledge of the facts herein set forth, that the same are true, accurate and complete to the best of my knowledge and belief. All open burning will be conducted in accordance with the Arizona Administrative Code, Title 18, Chapter 2.
